

*Dear Expectant Parent(s),*

*Hi, we are Dan and Sue. Dan and I have been together for 13 wonderful years and we just celebrated our 10 year wedding anniversary a few months ago. We met while we were in college and we have been best friends ever since. We are blessed with a wonderful son, Dylan, who is the center of our universe.*

*Dan and I have always wanted a large family with many children. We are so blessed to have Dylan and our dream is to have more children. Our hope is that we can grow our family through open adoption and share the love we have with a new baby. If you are thinking of making an open adoption plan, our hope is that you will consider us as parents. We have so much love and stability to give to a baby and we want Dylan to have the joyous experiences of having a sibling.*

*I am a stay-at-home mom and enjoy spending my time doing arts and crafts with Dylan, taking him to the park, reading books, and cuddling. We will do all of these things and more with our new baby. I am also a member of the Mom's club, and Dylan and I enjoy doing fun activities with other moms and children. Being a mom has been the best experience of my life.*

*Dan is a civil engineer that works at the Department of Transportation. He is also a landlord and land developer, and enjoys providing for his family. In his free time, Dan loves spending quality time with his family and friends. He also likes to hunt, hike, and ski. He can't wait to take Dylan skiing!*

*Dylan is 2 years old and we cherish everyday with him. He is a healthy, happy, and very active little boy. He loves to play outside, read books and play with his cars and trucks. We also have 2 older dogs that love to follow Dylan around and run in the back yard.*

*We are a very close loving family and we do a lot of fun stuff together. We enjoy doing activities outdoors such as hiking, camping and skiing. We also love to spend time with Dylan's grandparents, Uncle Nick, Auntie Anna, and little cousin Katie.*

*We know this is a difficult decision for you. There must be so many thoughts going through your head and heart. But we want you to know that we have similar thoughts and we can take this journey together. We will open our hearts to you, your family and our new baby with love and gratitude. Please know that we want what's best for the baby and for you.*

*When you look at our pictures, know that we are a happy, loving family and we are waiting to add a baby and you to our lives. Thank you for taking the time to read our letter, and for considering us as adoptive parents. If you have any questions please call Catholic Social Services of Montana at their toll free number 1-800-222-9383.*

*We will pray for you to find the strength and wisdom to make the best decision. Until we meet, take care of yourself and your precious baby that is God's gift to all of us.*

*Love, Dan & Sue*
