

## ...Dear Expectant Parents...

We want you to know first and foremost that you are loved...you are priceless...and the little one you carry is such a gift! Given the chance, we would be honored to walk this journey with you.

Let us introduce ourselves. We are Caleb & Ashlin. We will be married 10 years on October 3, 2019.

Our son Milo will be two on September 14, 2019. We adopted him in 2017 after we were matched with his beautiful birth mother.

To be given the great responsibility of raising the treasure of her heart is incredibly humbling. It is something we do not take lightly and find both sorrow and the greatest of joy in. There is nothing 'easy' about what a birth mother goes through and we have walked that journey with them twice. We experienced a 'change of heart' with our first birth mother and her little girl in 2014 and then were entrusted with our little boy in 2017.

Neither decision was easy and BOTH were RIGHT!  
No matter the choice made in the end, we LOVE YOU, BLESS YOU and PRAY only the VERY BEST for both you and your baby!

We live on a ranch in the foothills of the mountains.

We own cattle, horses and 3 dogs...Hope, Spanky and Annie.

We LOVE to FISH in the mountain creeks, rivers and lakes. We don't seem to get away to do enough of it but it's our favorite kind of fun.

God has a way of bringing about His perfect plan, and when He does, you just know that if it had been any sooner, it wouldn't have been right.

We cannot begin to tell you what it would mean to us to be chosen to be the parents of your child. As a couple who has not received the miracle of pregnancy, we respect and appreciate the fact that you have chosen to give this child life, whether you choose to parent him/her or whether you make an adoption plan. We hope to meet you soon!
