

Dear Expectant Parents

We are Justin, Alyssa, and Crosby

Choosing a family worthy of the precious gift and responsibility of parenting your baby will most likely be the hardest decision you will ever make. It would be our greatest joy and honor to be chosen to love and nurture your child. After almost 14 years of love, adventures, laughter, and faith, we have built a strong marriage through the understanding and commitment to one another. But when we were ready to start our family, God had other plans. We did struggle with infertility after our marriage in 2011 and tried many different treatments with eventual success after 3 years, getting pregnant with our son Crosby. Then 6 years later after thoughtful consideration and prayer we have decided we want to expand our family in the form of adoption.

Let us tell you how it all began. We met at a restaurant for a mutual friend's birthday party and started dating; we dated for four years and finally decided to get married in 2011. Life only gets better when you spend it with our best friend, lover, and lifelong partner. Our personalities are complimentary. Alyssa loves to stick to a schedule and show everyone around her the kindness they deserve; Justin is more spontaneous, outgoing, and grounded in many aspects of life. As a family we enjoy playing sports, traveling, and going to the movies. Hosting family events, holidays, and BBQ's. We also enjoy attending church with our family on Sundays and plan on raising our children with all the faith and love that we share with one another.

We believe in the importance of education. Alyssa completed her Associates of Applied Science and works as a Pediatric Dental Assistant. She enjoys planning events, managing our son's hockey team, and going on vacations with family. Justin completed his bachelor's as a Registered Nurse and works as a Nurse Manager with the State. He likes staying busy with

projects around our house such as finishing our basement and landscaping our yard. He loves to play sports especially hockey, softball, and anything related to the snow.

We have been truly blessed. We have a wonderful marriage, an amazing six-year-old son, successful careers, and a beautiful home in a nice neighborhood. We live in an amazing community, love to travel giving many opportunities for our children to play and discover the world. We also have a huge family ready to love and support another child. Our son Crosby is such a fun-loving, kindhearted little man and beyond excited and ready to be a big brother. Alyssa is planning to stay at home for a few months then returning to work part time after we adopt. Justin's schedule is Monday through Friday remotely which will allow him to be home more often to spend lots of quality time with the kids. Our family and friends are very supportive of our decision to adopt.

We have so much love to share with another child and we would love to share this experience with you in the adoption process. We would like to thank you for taking the time to read our profile. We look forward to hearing from you and learning more about you.

Best wishes,

Justin, Alyssa and Crosby
