

Dear Expectant Parent(s)...

We want you to know first and foremost that Jesus loves you!! He sees you right this very moment and He is with you!!

No matter the decision you make, to parent or to place, it is the right decision. We are here to love and support you should you consider our family to place your precious child with.

We are Caleb and Ashlin. We live in the foothills of the mountains on a Ranch. We love what we do. It is absolutely beautiful out here. There is so much room to run and play or simply be still. Caleb runs the ranch and Ashlin delivers mail on a country mail route 6 days a week for about 3 hours each morning. It is highly convenient considering our lifestyle with 2 busy little boys at home.

Caleb's parents live just across the road from us so the boys are able to be with them as needed any time of day or night.

We LOVE this aspect of country living.

Ashlin's parents are just 20 miles over in the next town so the boys are able to be with them often as well.

We adopted our now 2- and 5-year-old sons at birth through matches made by CSSM. We have wonderful relationships with their birth mothers to this day and keep in touch

through visits and texts. It is an absolute JOY to share the boys' lives with them and keep them updated as

they grow. We are so grateful our boys will be able to contact their birth mothers and families as they get older should they have questions or just want to get to know them better.

We love to fish and be in the mountains. The outdoors are something we enjoy as a family as it just comes with our livelihood as well.

We would love nothing more than to add another to love to this bunch of ours. We look forward to meeting you and being a part of your journey!
