

Dear Expectant Parent,

Our names are Morgan and Lane, and we recently celebrated our 10 year wedding anniversary in January 2026. We understand that adoption is a huge decision, and we appreciate the courage and love that you are showing through this process – by even reading this letter.

We have no children now, but we are excited to meet the child (or children) that God has chosen for us, whenever that may be, and believe that adoption is the most beautiful way to grow our family.

Morgan & Harper

Our journey together started in middle school when we met at summer camp. It matured through a friendship, which grew into where we are today! We both grew up in Montana. Lane was in the military when we got married and we moved to Arizona while he served. When he got out, we moved to Washington where our careers took off. During COVID, we decided to move back to Montana to be near family. Morgan works remotely from home as a Program and Project Manager while Lane is an Aircraft Mechanic.

We have built our countryside home to be a warm and welcoming place with a bunch of animals. We have 4 dogs

and 3 cats with foster puppies coming in and out of the home. We have a large piece of land where we can see our future child (or children) playing, exploring, and growing. Our home is filled with Harry Potter Legos, a variety of books, and pets to run around with. We enjoy fostering puppies, traveling, going on weekend adventures, and spending time with our friends and family. We are so excited to have a child be able to join in our adventures! We are fortunate to have a strong

We are committed to providing a fun and nurturing environment that fosters curiosity, creativity, kindness, and resilience. We believe in encouraging our children to pursue their passions and supporting them in every way possible. As adoptive parents, we promise to provide a loving and stable home where your child will feel safe, supported, and deeply loved. We are committed to maintaining an open and honest relationship with

you and ensuring that your child knows their story. We believe that love makes a family, and we are ready to dedicate our lives to nurturing and guiding your child with unconditional love and care should you move forward with us.

We hope that this letter gives you a glimpse into our lives and the kind of parents we aspire to be. Thank you for taking the time to read this - we would love to get to know you more!

With Love,

Morgan and Lane
