**Happy Tournament Day!**

**Thank you** for supporting CSSM's 27th annual golf tournament. This is CSSM's largest fundraiser of the year and is one of the main reasons we can continue our work with expectant mothers and adoptive couples in adoption, serve clients in over 50 Montana communities with mental health counseling and education, and distribute nearly 100,000 diapers to families in need this year! Overall, we served **92% more** clients this year compared to the previous year!

On behalf of the team at CSSM, we're immensely appreciative for your generosity to the work we dedicate ourselves to. Together, we're making our neighborhoods, community, and state a better place.

God Bless you today and always,

Scott Held, Executive Director, Catholic Social Services of Montana

**CSSM's Baby Boutiques, located in Helena and Billings, provide dignity for families in need by allowing them to "shop" for items they need for their children. In the past year, these two locations have distributed nearly 100,000 diapers. This year, we plan to add combination mental health therapy and financial coaching, hoping to lift families out of poverty.**

**A Gift of Love**

Our hearts overflow with gratitude for the journey that brought our precious Aurora into our lives. After nearly two years of hopeful anticipation, she arrived in February at 18 months old, instantly filling our home with laughter and light. The joy of her final adoption in December was a moment

we'll forever cherish. Now a spunky and thriving three-year-old, Aurora keeps us on our toes and reminds us daily of the incredible gift of adoption. She is a constant source of energy, love, and endless wonder, and we can't imagine our lives without her.
